Marvel Mumwende New Head Teacher At Limapela Cedric's

I was born in Ndola, Zambia, and am happily married with three children.

My educational journey began in Ndola at St. Bonaventure Basic School, where I completed my primary and junior secondary education before proceeding to Chifubu Secondary School, to complete Grade 12 in 2010.

I later pursued a Primary Teachers' Diploma at Kitwe College of Education from 2013 to 2015. Committed to lifelong learning, I further advanced my qualifications by earning a Bachelor's Degree in Primary Education between 2024 and 2025.

From 2016 to 2025, I had the privilege of serving at Franciscan Convent Girls' Boarding School in Ibenga under the Franciscan Missionary Sisters of Assisi, where I gained valuable experience in teaching and nurturing young learners. Today, I am grateful to be part of the team at Limapela Cedric's School.

I am inspired by the continuous development of the school's infrastructure, which is creating a more effective and conducive learning environment. I sincerely appreciate the generosity of the sponsors and well-wishers whose unwavering support is transforming the lives of many children by giving them access to quality education and a brighter future.
